Education

City College of New York 02/2017
Bachelor of Arts in Psychology

Projects

Project# 1: E-commerce Website: JQ's Tea and Coffee

- Developed a e-commerce website using HTML, CSS, JavaScript, Bootstrap, SASS, React, and MaterialUI,
- Handle connecting data to components through props, maps, and routing.
- React state to change/update cover image, cart items, and store contact info.

Project #2: Dictionary Word Search

- Developed with Vanilla JavaScript to retrieve data from a public API.
- Data is retrieved using mapping, forEach method, fetch, promise, and async-await.
- Error handling using try-catch.

Project #3: Habit Hamster

- Developing a web and mobile app for keeping track of habits with React and Material UI.
- Striving to make this project compatible with multiple platforms: websites, mobile, and smartwatches.
- Ongoing team project to create user experience design.

Work Experience

Customer Service Specialist, New York, NY 05/2019 – 08/2021
National Grid

- Managed over 30-80 inbound customer calls per day efficiently and effectively in a calmly and courteously at a fast-paced call center environment.
- Verified customer information and processing payments, field orders, move-in, move-out, emergency service orders, disconnects/connects, agreements, meter change, appointments, deposits, refunds, and reports that are monitored through the customer service management system and databases using the internal system: CRIS, CFE, and AIM.
- Resolved customers billing complaints or discrepancy by analyzing bills, explaining bills, disputing investigations, issuing reimbursement, adjusting bills, rescheduling appointments, and reissuing bills

Teaching Coach & Office Manager, New York, NY 04/2019 – 03/2020
Leap Education

- Prepared, graded, taught elementary students for the statewide test.
- Maintained and managed attendance, assigned works, and organize office functions for the first-graders to eighth-graders and distributed assignments to coaches

Administrative Coordinator, Tokyo, Japan 11/2017 – 12/2017
3Q Showa Guest House

- Processed guest transactions and provided hospitality services such as housekeeping and maintaining the shared area.
